# Why North Property Group?

**Bespoke Furniture  
Range**

**Quick Installation  
Date**

**Top-range  
Quality Furniture**

**Trustworthy**

It is not possible to measure a property up for furniture before it is complete, but we work with developers to create bespoke, high quality furniture packs that can be ordered and fitted for you to maximise the potential of your investment property. They are also available to homebuyers to help make your new property an instant home.

The CGI's in this brochure are for illustrative purposes only. Actual products may vary slightly in design, color, and materials.
